MANAGEMENT INFORMATION CIRCULAR

(Containing information as at November 20, 2017, unless otherwise stated)

SOLICITATION OF PROXIES

This management information circular (“**Information Circular**”) is furnished in connection with the solicitation of proxies by the management of Advantage Lithium Corp. (the “**Company**”) for use at the Annual General Meeting of the Shareholders of the Company (and any adjournment thereof) to be held on December 21, 2017 (the “**Meeting**”) at the time and place and for the purposes set forth in the accompanying Notice of Annual General Meeting. While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone by the directors, officers and regular employees of the Company at nominal cost. All costs of solicitation by management will be borne by the Company.

The contents and the sending of this Information Circular have been approved by the directors of the Company.

APPOINTMENT OF PROXYHOLDER

The individuals named in the accompanying form of proxy are directors and/or officers (“**Management’s Nominees**”) of the Company. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT HIM AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY STRIKING OUT THE NAMES OF THOSE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY AND INSERTING THE DESIRED PERSON’S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER FORM OF PROXY. A proxy will not be valid unless the completed form of proxy is received by Computershare Investor Services Inc. (the “Transfer Agent”), Proxy Department, 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting, or any adjournment thereof. Proxies delivered after that time will not be accepted.**

REVOCAION OF PROXIES

A shareholder who has given a proxy may revoke it by an instrument in writing executed by the shareholder or by his attorney duly authorized in writing or, where the shareholder is a company, by a duly authorized officer or attorney of the company, and delivered to the registered and records office of the Company located at Suite 1305, 1090 West Georgia Street, Vancouver, British Columbia V6E 3V7 (Attention: Corporate Secretary), at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

INFORMATION FOR NON-REGISTERED SHAREHOLDERS

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are “non-registered” shareholders because the common shares of the Company (“Common Shares”) they own are not registered in their names but are instead registered in the names of a brokerage firm, bank or other intermediary or in the name of a clearing agency. Shareholders who do not hold their Common Shares in their own name (referred to herein as “Beneficial Shareholders”) should note that only registered shareholders may vote at the Meeting. If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in such shareholder’s name on the records of the Company. Such Common Shares will more likely be registered under the name of the shareholder’s broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which company acts as nominee for many Canadian brokerage firms). Common Shares held by brokers (or their agents or nominees) on behalf

of a broker's client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the brokers' clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided by the Company to the registered shareholders. However, its purpose is limited to instructing the registered shareholder (i.e. the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically prepares a machine-readable voting instruction form, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction form must be returned to Broadridge (or instructions respecting the voting of Common Shares must be communicated to Broadridge) well in advance of the Meeting in order to have the Common Shares voted.**

This Information Circular and accompanying materials are being sent to both registered shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories – those who object to their identity being known to the issuers of securities which they own ("**OBOs**") and those who do not object to their identity being made known to the issuers of the securities they own ("**NOBOs**"). Subject to the provision of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**") issuers may request and obtain a list of their NOBOs from intermediaries via their transfer agents. Pursuant to NI 54-101, issuers may obtain and use the NOBO list for distribution of proxy-related materials directly (not via Broadridge) to such NOBOs. If you are a Beneficial Shareholder, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the Common Shares on your behalf.

The Company's OBOs can expect to be contacted by Broadridge or their brokers or their broker's agents as set out above.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the Common Shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered shareholder should enter their own names in the blank space on the proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

All references to shareholders in this Information Circular and the accompanying form of Proxy and Notice of Annual General Meeting are to shareholders of record unless specifically stated otherwise.

VOTING OF PROXIES

The shares represented by a properly executed proxy in favour of Management's Nominees as proxyholders in the accompanying form of proxy will:

- (a) be voted or withheld from voting in accordance with the instructions of the person appointing the proxyholder on any ballot that may be taken; and
- (b) where a choice with respect to any matter to be acted upon has been specified in the form of proxy, be voted in accordance with the specification made in such proxy.

ON A POLL, SUCH SHARES WILL BE VOTED AS DIRECTED BY MANAGEMENT OF THE COMPANY FOR EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED, OR WHERE BOTH CHOICES HAVE BEEN SPECIFIED, BY THE SHAREHOLDER.

The enclosed form of proxy when properly completed and delivered and not revoked confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Annual General Meeting, and with respect to other matters which may properly come before the Meeting. If any amendments or variations to matters identified in the Notice of Annual General Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the enclosed form of proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Information Circular, the management of the Company knows of no such amendment, variation or other matter that may be presented to the Meeting.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed herein, no person who has been a director or executive officer of the Company at any time since the beginning of the last financial year, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of any of the foregoing, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon other than the election of directors or the appointment of auditors. Directors and senior officers may, however, be interested in the general authorization granted to the directors with respect to stock options to insiders as detailed herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized capital of the Company consists of an unlimited number of Common Shares without par value. As at November 20, 2017 (the "**Record Date**"), the Company had 137,112,851 Common Shares issued and outstanding.

Only shareholders of record at the close of business on the Record Date who either personally attend the Meeting or who have completed and delivered a form of proxy in the manner and subject to the provisions described above shall be entitled to vote or to have their shares voted at the Meeting.

On a show of hands, every individual who is present and is entitled to vote as a shareholder or as a representative of one or more corporate shareholders will have one vote, and on a poll every shareholder present in person or represented by a proxy and every person who is a representative of one or more corporate shareholders, will have one vote for each Common Share registered in that shareholder's name on the list of shareholders as at the Record Date, which is available for inspection during normal business hours at the Transfer Agent and will be available at the Meeting. **Shareholders represented by proxy holders are not entitled to vote on a show of hands.**

To the knowledge of the directors and senior officers of the Company, the only person or company who beneficially owns, directly or indirectly, or exercises control or direction over, shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company as of the close of business on November 20, 2017 is as follows:

Stock Option Plan and Other Incentive Plans

The Corporation has no other incentive plans other than its stock option plan (the “**Option Plan**”). The purpose of the Option Plan is to provide the Corporation with a share related mechanism to enable the Corporation to attract, retain and motivate qualified directors, officers, employees and other service providers, to reward directors, officers, employees and other service providers for their contribution toward the long term goals of the Corporation and to enable and encourage such individuals to acquire shares of the Corporation as long term investments.

For a description of the Option Plan, see “*Particulars of Other Matters to be Acted Upon – Ratification of Stock Option Plan*”.

As at the date of this Information Circular, the Company had 137,112,851 common shares issued and outstanding so that a maximum of 13,711,285 common shares would be available for issuance pursuant to the stock options granted under the Option Plan. Currently there are 7,541,000 stock options outstanding leaving 6,170,285 common shares available for grant of further options under the Option Plan.

Employment, Consulting and Management Agreements

Management functions of the Company are substantially performed by directors or senior officers (or private companies controlled by them, either directly or indirectly) of the Company and not, to any substantial degree, by any other person with whom the Company has contracted.

Oversight and Description of Director and NEO Compensation

Compensation, Philosophy And Objectives

The Board meets to discuss and determine management compensation, without reference to formal objectives, criteria or analysis. The general objectives of the Company’s compensation strategy are to (a) compensate management in a manner that encourages and rewards a high level of performance and outstanding results with a view to increasing long-term shareholder value; (b) align management’s interests with the long-term interests of shareholders; and (c) ensure that the total compensation package is designed in a manner that takes into account the constraints that the Company is under by virtue of the fact that it is a junior mineral exploration company without a history of earnings.

The Board, as a whole, ensures that total compensation paid to all Named Executive Officers (or NEOs), as hereinafter defined, is fair and reasonable. The Board as a whole recommends levels of executive compensation that are competitive, motivating and commensurate with the time spent by executive officers in meeting their obligations. The Board relies on the experience of its members in assessing compensation levels.

Analysis Of Elements

Base salary is used to provide the Named Executive Officers a set amount of money during the year with the expectation that each Named Executive Officer will perform his responsibilities to the best of his ability and in the best interests of the Company.

The Company considers the granting of incentive stock options to be a significant component of executive compensation as it allows the Company to reward each NEO’s efforts to increase value for shareholders without requiring the Company to use cash from its treasury. Stock options are generally awarded to executive officers at the commencement of employment and periodically thereafter. The terms and conditions of the Company’s stock option grants, including vesting provisions and exercise prices, are governed by the terms of the Company’s Option Plan. A description of the significant terms of the Option Plan is found under the heading “*Particulars of Other Matters to be Acted Upon – Ratification of Stock Option Plan*”.

Option-Based Awards

The Company has no long-term incentive plans other than the Option Plan. The Company’s directors, employees, officers and certain consultants are entitled to participate in the Option Plan. The Option Plan is designed to encourage share ownership and entrepreneurship on the part of the senior management and other employees. The Board believes

that the Option Plan aligns the interests of the NEOs and the Board with shareholders by linking a component of executive compensation to the longer term performance of the Company's common shares.

Options are granted by the Board. In monitoring or adjusting the option allotments, the Board takes into account its own observations on individual performance (where possible) and its assessment of individual contribution to shareholder value, previous option grants and the objectives set for the NEOs and the Board. The scale of options is generally commensurate to the appropriate level of base compensation for each level of responsibility.

In addition to determining the number of options to be granted pursuant to the methodology outlined above, the Board also makes the following determinations:

- parties who are entitled to participate in the Option Plan;
- the exercise price for each stock option granted, subject to the provision that the exercise price cannot be lower than the prescribed discount permitted by the Exchange from the market price on the date of grant;
- the date on which each option is granted;
- the vesting period, if any, for each stock option;
- the other material terms and conditions of each stock option grant; and
- any re-pricing or amendment to a stock option grant.

The Board makes these determinations subject to and in accordance with the provisions of the Option Plan. The Board reviews and approves grants of options on an annual basis and periodically during a financial year.

There is no restriction on NEOs or Directors regarding the purchase of financial instruments, including prepaid variable forward contracts, equity swaps, collars or units or exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held directly or indirectly by the NEO or Director for the financial years ended July 31, 2017 and 2016.

No NEO or Director, directly or indirectly, purchased any financial instruments or employed a strategy to hedge or offset a decrease in market value of equity securities granted as compensation or held.

Termination and Change of Control Benefits

The Company does not have any plan contract, agreement or plan or arrangement that provides for payments to a NEO at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, a change in control of the Company or a change in the NEO's responsibilities.

Pension Plan Benefits

The Company does not have any form of pension plan that provides for payments or benefits to the NEO at, following, or in connection with retirement. The Company does not have any form of deferred compensation plan.

The purpose of the Option Plan is to provide the Company with a share related mechanism to enable the Company to attract, retain and motivate qualified directors, officers, employees and other service providers, to reward directors, officers, employees and other service providers for their contribution toward the long term goals of the Company and to enable and encourage such individuals to acquire shares of the Company as long term investments.

The aggregate number of options granted to any option holder in a twelve month period must not exceed 5% of the issued and outstanding common shares of the Company, and the maximum number of options which may be granted to insiders within any twelve month period must not exceed 10% of the issued and outstanding common shares of the Company (unless the Company has obtained disinterested shareholder approval of such grants as required by the Exchange).

5. The exercise price of the options to be granted under the Option Plan will be determined by the Board and will not be less than the market value of the common shares as of the date of grant, as permitted by the Exchange.
6. The term of the options will not exceed 10 years, subject to earlier termination after certain events such as the option holder's ceasing to be an option holder, disability or death.

AUDIT COMMITTEE CHARTER

(Adopted by the Board of Directors on November 5, 2008)

MANDATE

The primary function of the audit committee (the "Committee") is to assist the Board of Directors in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Corporation to regulatory authorities and shareholders, the Corporation's systems of internal controls regarding finance and accounting and the Corporation's auditing, accounting and financial reporting processes. The Committee's primary duties and responsibilities are to:

- Serve as an independent and objective party to monitor the Corporation's financial reporting and internal control system and review the Corporation's financial statements.
- Review and appraise the performance of the Corporation's external auditors (the "Auditor").
- Provide an open avenue of communication among the Corporation's auditors, management and the Board of Directors.

COMPOSITION

The Committee shall be comprised of at least three members. Each member must be a director of the Corporation. A majority of the members of the Committee shall not be officers or employees of the company or of an affiliate of the Corporation. At least one member of the Committee shall be financially literate. All members of the Committee who are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of this Audit Committee Charter, the term "financially literate" means the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Corporation's financial statements.

The members of the Committee shall be appointed by the Board of Directors at its first meeting following the annual shareholders' meeting. Unless a Chair is elected by the full Board of Directors, the members of the Committee may designate a Chair by a majority vote of the full Committee membership. The Chair shall be financially literate.

MEETINGS

The Committee shall meet as frequently as circumstances dictate. As part of its job to foster open communication, the Committee will meet at least annually with the CFO and the external auditors in separate sessions. Unless all members are present and waive notice, or those absent waive notice before or after a meeting, the Chairman will give Committee members 24 hours' advance notice of each meeting and the matters to be discussed at it. Notice may be given personally, by telephone, facsimile or e-mail.

The Auditor shall be given reasonable notice of, and be entitled to attend and speak at, each meeting of the Committee concerning the Corporation's annual financial statements and, if the Committee feels it is necessary or appropriate, at any other meeting. On request by the Auditor, the Chair shall call a meeting of the Committee to consider any matter that the Auditor believes should be brought to the attention of the Committee, the Board of Directors or the shareholders of the Corporation.

At each meeting of the Committee, a quorum shall consist of a majority of members that are not officers or employees of the Corporation or of an affiliate of the Corporation. A member may participate in a meeting of the Committee in person or by telephone if all members participating in the meeting, whether in person or by telephone or other communications medium, are able to communicate with each other. A member may participate in a meeting of the Committee by a communications medium other than telephone if all members participating in the meeting, whether in person or by telephone or other communications medium, are able to communicate with each other and if all members who wish to participate in the meeting agree to such participation.

As part of its goal to foster open communication, the Committee may periodically meet separately with each of management and the Auditor to discuss any matters that the Committee or any of these groups believes would be appropriate to discuss privately. In addition, the Committee should meet with the Auditor and management annually to review the Corporation's financial statements.

The Committee may invite to its meetings any director, any manager of the Corporation, and any other person whom it deems appropriate to consult in order to carry out its responsibilities. The Committee may also exclude from its meetings any person it deems appropriate to exclude in order to carry out its responsibilities.

 - (iii) such services are promptly brought to the attention of the Committee and approved, prior to the completion of the audit, by the Committee or by one or more members of the Committee to whom authority to grant such approvals has been delegated by the Committee.

The Committee may delegate to one or more independent members of the Committee the authority to pre-approve non-audit services in satisfaction of the pre-approval requirement set out in this section provided the pre-approval of non-audit services by any member to whom authority has been delegated must be presented to the Committee at its first scheduled meeting following such pre-approval.
